The CRPUB regularly updates their information on the RM website at www.goodlakerm.com. Check out the **CRPUB Water Pipeline** tab for important information regarding water break updates/advisories, policies, payment options, rates, forms, annual financial statement and overview.

Water Restriction Bylaw – Effective July and August

- During the months of July and August, the CRPUB may turn down water pressure to conserve water.
- **During July and August – All subscribers are prohibited from wasting water, which includes, but is not limited to:** permitting water to pool or run off any lawn, garden or other outside plants; directing water onto driveways, patios, or roadways during irrigation; operating a fountain or pond without recirculating the water; washing any vehicle or outside of a building with the use of a hose not equipped with a shut-off nozzle; watering using broken or malfunctioning underground sprinklers; manually operated sprinklers and lawn watering devices that are left on for more than 60 minutes; watering an area for more than 60 minutes; and use of flowing water instead of dry sweeping to remove loose debris from a driveway or walkway.
