

Hamlet of Burgis Beach 2026 Newsletter

Hamlet Taxes

The Hamlet of Burgis Beach 2026 mill rate will be 5.5 mills and the minimum tax on land will be \$500.00.

Hamlet Community Update: Spring 2026

As summer finally approaches, we have several important updates regarding recent improvements and our roadmap for the coming year. We've been working hard to make our community safer, more efficient, and better prepared for the seasons ahead.

Recent Improvements & Security

We are committed to keeping our shared spaces clean and secure. To address ongoing concerns, we have **officially installed a security camera near the dumpsters** to deter illegal dumping and ensure the area remains tidy for everyone.

Additionally, we have finalized and shared the costs for the **new event structure**. This project, headed by the **Cabin Owners Association**, will be a fantastic asset for organizing community gatherings moving forward.

Winter Maintenance Shout Outs

It was a heavy winter, and we owe a huge thank you to **Toosh and AI** for their tireless work clearing snow from our streets. We also want to extend our gratitude to the **RM grader and frontend loader operators** for keeping our main access points clear throughout the season.

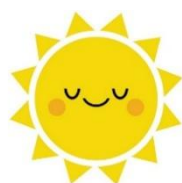

Spring Readiness: Water Management

Due to the excessive snowfall this year, we are anticipating significant spring runoff. Please be advised that **low lying areas will likely require pumping** to manage the water levels. We are monitoring these spots closely as the melt progresses to mitigate any potential flooding.

2026 Project Roadmap

We have an ambitious year ahead! Here are the key projects the board is currently moving forward with:

- **New Entrance Sign:** A fresh welcome to our community! Designed by the Sign Committee, this project is a joint effort shared by the **Coop & Cabin Owners**.
- **Cold Storage Building:** We will be erecting a new cold storage facility to replace our dilapidated sheds, providing a secure and weatherproof space for community equipment.
- **Fire Safety:** We are collaborating with the RM to complete a **fire guard on the east side** of the Hamlet to enhance our wildfire preparedness and community safety.

Join the Board: Call for Volunteers

There is currently **one vacancy** on the Hamlet Board. We are looking for a community-minded individual to fill this third position during our **AGM on July 12th, 2026**.

Serving on the board is a great way to have a direct impact on the future of our Hamlet. If you are interested or would like more information, please reach out to one of our current board members at hamletofburgisbeach@gmail.com.
