HAMLET TAXES

The Hamlet of Burgis Beach 2025 mill rate will be 5.0 mills, and the minimum tax on land and improvements will be \$450.00.

NEW ORGANIZED HAMLET BOARD POLICIES

The Ministry of Government Relations has amended the organized hamlet provisions in *The Municipalities Act Regulations* (section 22.1-38). These amendments are intended to clarify the roles and responsibilities of hamlet boards and rural municipality councils, focusing on governance, accountability, and transparency.

The RM of Good Lake Council and the Burgis Beach Hamlet Board have approved the required policies. These policies can be found on the RM website www.goodlakerm.com under the Bylaws and Policies tab: Burgis Beach Hamlet Board Operating Policy.

BYLAW ENFORCEMENT

The Hamlet of Burgis Beach will once again utilize the Commissionaires for bylaw enforcement this season. The Hamlet of Burgis Beach has utilized their services since 2017, which has resulted in valued improvements each year, in our well-cared for community. The bylaw officer works with the Hamlet Board and the RM to implement RM of Good Lake bylaws.

The Building and Health Inspectors are also involved in bylaw enforcement, which has allowed the RM to identify dilapidated buildings and neglected properties. This process has given authority to deal with properties wherein the buildings were demolished, and the properties were cleaned up.

In addition, assistance was provided to absent property owners by our Hamlet maintenance staff by mowing their property for a minimal service fee.

MAINTENANCE STAFF

The Hamlet Board welcomes again our Maintenance Foreman, Al Efford. Al will be returning to work this year, and he will be assisted by four part time workers.
